Operational Definitions

Percentage of primary and secondary school teachers holding Bachelor's degree or above

Footnote

Figures are collected from the Education Bureau. They include both trained and untrained teachers.

- Figures in 2001 or before refer to the position as at October of the respective school years. Figures from 2002 onwards refer to the position as at mid-September of the respective school years.

- While figures in 2000 or before cover permanent teachers only, the figures from 2001 onwards cover both permanent/regular and contract teachers.
