Operational Definitions

The Land-based non-institutional population (LBNP) aged 15-19 with upper secondary and above educational attainment as percentage of total LBNP aged 15-19 covered by the General Household Survey.

Footnote

All figures are collected from Census and Statistics Department since 1999.

According to C&SD (25Sep2009), starting from the year 2001, annual figures derived from the General Household Survey (GHS) may be different from those in the earlier edition. For the previous edition, the annual figures are compiled based on the average data for the four quarters of the year concerned. Starting from this edition, these statistics are compiled based on data collected in the General Household Survey from January to December of the year concerned as well as mid-year population estimates.
