### Operational Definitions

The number of international conferences held in Hong Kong. International conference refers to assembly of people from same or similar profession or trade to discuss and exchange information. Above 10% of total delegates to the conventions are from overseas.

### Footnote

All figures are collected from Hong Kong Tourist Association since 1981.

Figures for 1981 and 1986 include corporate meetings and is not strictly comparable to figures for 1991, 1996, 1997 and 1998.
