操作定義

The Land-based non-institutional population (LBNP) aged 15 and over with post-secondary educational attainment (excluding technical/vocational training education) as percentage of total LBNP in the respective sex/age group covered by the General Household Survey.

備註

All figures are collected from Census and Statistics Department since 1999.

According to C&SD (25Sep2009), starting from the year 2001, annual figures derived from the General Household Survey (GHS) may be different from those in the earlier edition. For the previous edition, the annual figures are compiled based on the average data for the four quarters of the year concerned. Starting from this edition, these statistics are compiled based on data collected in the General Household Survey from January to December of the year concerned as well as mid-year population estimates.
