Year	2017
No.	10474

Operational Definitions

The daily cigarette adult smokers (aged 20 and over) per 100,000 population aged 20 and over. (excluding foreign domestic helpers)

Footnote

All figures are collected from Census and Statistics Department.

They are based on a series of surveys done in Jan-Mar 1982, Mar 1983, July 1984, July 1988, July 1990, Aug-Sep 1993, and January 1996 and March 1998. Figures for 1982 are used as proxies for 1981, 1984 for 1986, 1990 for 1991. No data are available for 1997.
